**President:** Thanks to everyone who participated in the Field Work Day on May 3<sup>rd</sup>. It all looks great.

**Vice Pres.:** Contacted by Dr. Naples who owns Lago Winery near Pymatuning Lake to see if anyone in the club was interested in coming to his winery for a flying day. Doug will check out facilities and get more information for the club.

**Secretary:** Nothing

**Treasurer:** Please contact treasurer for details

**Field Mrsh:** Not Present

**Safety:** Not Present

**Unfinished Business** Thunder Over the Valley Air Show will take place this weekend, May 17<sup>th</sup> and 18<sup>th</sup>. **THERE WILL BE NO FLYING AT THE CLUB FIELD ON THESE TWO DAYS.** The club will have a booth with some static displays. Ken Jennings coordinated this effort with the Youngstown Air Force Base; thanks, Ken!! There are several club members working this weekend, and we coordinated schedules, passes, etc, which was the reason for the meeting starting late today.

Our annual **Electric Fly-In will be Sunday, June 1<sup>st</sup>** at the club field. Dan and Nick will cook. Discussed pilot prizes. We discussed buying 10 - \$10 gift certificates from Kevin Nestor from Austintown Hobby raffle off to pilots, but decided there were enough prizes for the June 1<sup>st</sup> event. Also, Emil, Doug, and Steven have been working to get donations and were able to obtain 3 - 50% coupons and 3 - 30% off coupons from Castle Creations, \$ 10 coupon from Heli-Proz, a Heli-Max quadcopter from Hobbico, and 3 - \$ 25 gift certificates from Tower Hobbies. Thanks for your effort in obtaining these items. Suggestion made and discussion to give a raffle ticket for each flight flown to raffle off pilot prizes, as opposed to just giving each one who signs up a ticket. Finally, motion made by Darrel and seconded by Ray to just give each pilot who signs up to fly one raffle ticket. Motion carried.

**New  
Business**

Grass has been cut and it looks good (Thanks, Rick). Having the field rolled twice also made it nice (thanks, Darrel and Doug).

Suggestion made to install gutter on the north side of the clubhouse to prevent the dirt from getting washed out there all the time when it rains. Darrel has spare gutter at home that he will donate; thanks Darrel. Motion made by Emil, seconded by Mario, to buy what other supplies needed to install the gutter. Motion carried.

Emil suggested that since AMA is offering money towards field improvements, we should ask them if they would pay to put concrete from the clubhouse to one pilot station to make it handicap-accessible. Doug will look into this.

Dan posed the question: do we need to do weed and feed? Group unanimously voted no; it's ok for now.

We have two people applying for membership. First, is Leonard Brozman from Warren and second is Jeff Wilson from Pittsburg. Members voted unanimously for them to join the club. Welcome.

**Show and  
Tell**

Al Scott from his Value Hobbies P-51 Mustang. It has retractable gear, a Thunder Tiger 65 and is on 72 mHz. He has not yet flown it, but it's a beaut!!

**50/50  
Raffle**

Won By Kevin Nester, who donated his portion of the \$ 16 back to the club.

**Closed:**

Motion made by Doug; seconded by Emil to adjourn; motion carried. Meeting adjourned at 7:47 p.m.
