Dan also sent the insurance certificate to the Trumbull County Fairgrounds, along with the $1 lease payment for the leasing of the field for 2014.

910th Airlift Wing at Youngstown Air Reserve Station is working with the Youngstown Air Base Community Council to bring you "Thunder over the Valley" air show to be held on May 17 – 18, 2014. Here is the link; please check the link from time to time for updated information. There will be no flying permitted at our club field during these 2 days.

At our March and April meetings, we will finalize plans for the June 1st Electric Fly-in. Doug and Dan will share duties of CD. We will need volunteers to work at the gate collecting donations (let's try to get a few people so that everyone can fly, too), cook, help setup the tent and tables, help clean up the field and clubhouse in May and help us distribute flyers around the communities. We'd appreciate your help. If you are unable to make the meeting but want to volunteer, contact any club officer.

Just a reminder that 2014 club dues of $ 25 need to be paid by **February 28, 2014** to avoid the late fee of $15. If you've already paid your dues, we thank you. If you have not paid them, please mail your dues to **Dan Mackiewicz, 2816 Timbercreek N., Cortland, OH 44410**. If you would like your receipt returned to you via mail, please include a self-addressed stamped envelope. Otherwise, Dan will give you your receipt at the March meeting at the Cortland Post Office or when he sees you.

Also, a reminder to be sure and renew your AMA membership prior to flying in 2014.

We will resume meetings in March; our next meeting will be held Wednesday, March 12th at the Cortland Post Office at 7:00 p.m. Hope to see you there; bring some of your winter projects to share with the group!!

See you than.
