Unfinished Business Discussion on the raffle prize for the June Electric Fly In; will make a final decision at the April meeting. Also, we will set our field clean up date. It was decided to have the electric turned back on April 1st, and it will be needed for our meeting which will be at the field house at the usual 7pm time.

New Business Doug suggested that the Bazetta Cub Scouts may be interested in coming out to the field to see what it is we do. Doug is also going to inquire at the corner church about the possibility of having our indoor meetings there. They do have the facilities for what we need and could be a long term solution for our meeting places.
