**New Business**

Discussed the upcoming August Fun Fly. Kevin from Austintown Hobby offered to get a good price for an E-Flite Carbon Z Cub as our main prize. Emil made the motion to get it and Cliff seconded; motion carried. Emil also acquired a 72cc gasoline model airplane engine with electronic ignition module from DJ Engines that is being raffled. Tickets will be \$5 each or 3 for \$10. Winner will be announced at the August Fun Fly.

When Dave finishes the flyer for the Fun Fly, Doug will be sent to vendors to try and get prizes for the Fun Fly.

There will be no parking north of the spectator signs, and it will be added to the signs if there is not compliance. Aircraft, grills and coolers are the only things with wheels that should be north of those signs.

Two new members were voted into the club. Andres Lu and Adam Byler. Welcome to the club!

Kevin from Austintown Hobby delivered the Kunai sport glider to Doug Hannas, and that was show and tell.
