Unfinished Business Discussion that the club will delay installing the outside shelf until we decide what will be done with the canopy in the spring.

**New
Business**

Dan will contact King's Sanitary to get a price for a new or slightly used Port-a-John to be delivered in the spring. On our work list to do in the spring is to build a table to prep planes at the west end, redo the entrance sign, and reseal the tables and benches.

Pizza will be provided at our last meeting of the year, which will be at the club field on October 14th.

We will elect 2015 Officers at the October meeting. If you have anyone else to nominate, please be sure to attend the meeting. If anyone is interested in being secretary, please let us know. Lori would be willing to continue if no one else is nominated.

Discussion regarding the date for the spring Electric Fly-In. Emil made a motion that we set Saturday, June 11th as the date; seconded by Frank A.; motion carried. The club officers will be meeting with officers of neighboring clubs to share schedules, and as long as there is no conflict, this will be the date. More discussion to follow.

Dan will check with Cortland Library to schedule the room for our winter meetings.

New member Ervin (Bud) Lockhart was accepted as a new member; welcome, Bud!

**Show and
