Unfinished Business We discussed the indoor fly-in, and there was a concern over if our AMA liability insurance would comply with the school's liability requirements. Mario is to call AMA to make sure we do comply. Note: we will inform you later with the address for our indoor fly-in, if we comply with the liability insurance.

We decided not to have a sanctioned contest at our August fly-in, and the members decided to go with pilot prizes and event prizes.

Our freeze fly-in will be at 12PM January 1st. After the freeze fly, the electricity will be turned off.

Dues deadline is February 28th and a late fee of \$15 will be assessed beyond due date.

New Business Dan is looking into getting a free windsock, and if that doesn't pan out, the club approved Dan to purchase a new one.
