Unfinished Business President discussed that as far back as newsletter from June 1996, that there were not enough members participating in the events. It seems to be the same few doing the

work. It was discussed at that point that the club charge an extra \$5 for those who do not participate in any event. Discussion to establish an events committee. If there is no participation, then there will be no event. With no events, the cost of dues will need to be re-evaluated. At the September meeting, we will set the dates for the 2017 events and establish a committee to enlist people to help. Also we need to find out other clubs' event dates so that we cannot have two events on the same date.

Discussion to change the August Fun Fly to Saturday. Technically, we are not supposed to fly gas or glow before 11 a.m. on Sunday, so this would be better if we avoid Sunday when our neighbors are in church.

**New
Business**

Doug mentioned that on August 21, 2017 there will be a total solar eclipse and it would be a great time to do some flying. Keep this in mind.

There was mention at the August Fun Fly wondering how this field got the name Ernie Hall Memorial Field and that is was confusing with the Ernie Hall Museum, who just happened to have an event that same day. Discussion will be held at September meeting regarding changing the name of our club field. We also need to redo the sign at the gate as it is fading.

The club will have a cookout/picnic on August 27th. Doug will smoke a couple turkey breasts and get sweet corn. Members, please bring a covered dish.

Special thanks to Tino who made a special donation to the club for the Fun Fly of \$200. We greatly appreciate his support.

**Show and
Tell**

Doug brought a Chinese Lantern.
