Motion made by Emil to have Armstrong perform the weed and feed; seconded by Mike; motion passed unanimously. Doug, Mario, and/or John will make sure someone

from the club is here when the treatment is done. Dan M. will get a quote on rolling the field to be presented at October meeting.

**Unfinished Business** A draft of changes to the By-Laws has been completed by the committee. Secretary will send a copy of the draft to the members for review prior to next meeting. Discussion on renaming the field from Ernie Hall Memorial Field to something else, due to the fact it is confusing for people now with the Ernie Hall Memorial Museum. Proposal was to call our field Flying Aeros RC Flying Field. This will be voted and decided at the October Meeting.

Indoor Flying – Doug is going to arrange indoor flying again at the Lincoln School. The plan is to start this in December 2016. Discussion on having a brief club meeting before flying starts. This would be instead of our normal monthly meetings that we've suspended last year in the winter. This would give members the opportunity to pay their dues, as well as discuss any club matters. There would not be a charge for members to attend meeting only and not fly.
