Unfinished Business Lincoln School will not be available in December, so there will be no indoor flying. It should be available in January, and we’ll distribute information to club members. Just

a reminder that there is indoor flying at Buhl in Sharon from 8 a.m. till 11 a.m. on Sundays.

We will have club meetings in January and February. They will be held at the Cortland Post Office on the second Wednesday at 7 p.m.

Dates for our annual events will be:

Electric Fly-In – Saturday, June 3, 2017

Fun Fly – Saturday, August 5, 2017

Events were changed to Saturdays this year.

Dan will submit these to the AMA to obtain sanction numbers that can then be put on the flyers. We are going to try and get the flyers made up earlier this year and distributed more.

Jeff M. will send dates for the 2017 Nighthawks events so that we may post them on the website. They will be a 3 day event Father's Day weekend, a Heli event in July, and the Jets event in August.

We will keep the electric on at the field until at least the January 1, 2017 Freeze Fly, then the officers will check the weather to see if we shut off or just leave on.

Dan is having the Porta-John winterized this week.

Trumbull County Fairgrounds wants \$200 to hold a swap meet there in February. Consensus is that is too expensive.

Freeze Fly will be January 1st at 11 a.m.

Reviewed the proposed safety addendum.
