

# THE FLYING AERO ASSOCIATION

[www.flyingaeros.com](http://www.flyingaeros.com)

WARREN, OHIO

SANCTIONED CLUB #153

The Flying Aero Association was organized to meet the needs of people with an interest in the design, construction, and flying of miniature aircraft. The members in the club have varied interest from the building and showing of scale models, Sunday sport flying, to highly aerobatics pattern flying. The Flying Aero Association is chartered by the Academy of Model Aeronautics and under its sanction has successfully held static (display only) fun fly, and composition contests drawing competition the Tri-State area. This affiliation with the AMA provides the membership and flying site with additional insurance, Model Aviation Magazine, contest news, and special announcements. We invite prospective members to complete the following application. Our flying field is Ernie Hall Memorial Strip which is directly east of Trumbull County Fairgrounds. Club meetings are held at the club field on the second Wednesday of the month at 7 p.m. from April through September. The meeting location for the months of March and October is Cortland Public Library, 578 Lakeview Drive, Cortland, Ohio. There are no meetings during the winter months of November through February. **NOTE: FIELD IS CLOSED FOR THE DURATION OF THE TRUMBULL COUNTY FAIR.**

For further information, please contact club president Doug Hannas at 330-442-2463.
