Unfinished Business Davey Tree did a spraying here in the last couple weeks, which we did not authorize and billed us. Dan called them and was able to get a credit on the bill.

First Place Bank is not available for the winter monthly meetings. We need to either find a place for the meetings or not have meetings in the winter. Lori is going to check with Cortland Bank and other suggestion was Bazetta Township Hall. We will look into somewhere else to have it and welcome suggestions or venues for which anyone in the club could get for free.

We are going to push for emailing minutes only to eliminate mailings. This will help our finances. We currently mail out about 29 newsletters each month now.

New Business We need to discuss next year how we are able to make some money to make up the deficit. We currently spend more than we take in. Suggestions are welcomed from the club for ways to raise money. Other option is to raise dues.

Packard Museum in Warren is doing a display from October through December for Planes, Trains, and Automobiles. They have approached the club to display plane models in their museum during that time. Anyone interested, please contact a club officer. This would give us some free advertising for the club.

Geneva Indoor Event will be held December 3, 4, and 5 this year.

We have a new member this meeting, Ray Waters, from Florida who is living here in his motor home. Welcome, Ray.
