Unfinished Business Motion made by Ray P. to raise the annual dues from \$20 to \$25, seconded by Roger V., and motion passed with 1 attending member opposed.

Election of officers was held. The incumbent officers (Dave, Roger, Dan, and Lori) were re-elected. Keith A. asked to be withdrawn as Safety Officer, and Vaughn C. volunteered for the position. Motion made by Cliff H., seconded by Keith A., and motion passed unanimously.

Electric at the club field will be shut off at the box, like last year, sometime in November or December, depending on the weather. There will be a key for member access.

New Business Bill Stavana notified one of our members that he is not going to be able to roll the field next year, so we will need to find someone else to do this job.

It was suggested that we do not have Davey Tree do weed control in 2012. Members thought that it was unnecessary next year, so Dan will make this arrangement. Also, Dan will take care of getting the porta-john winterized.

Discussion on whether or not we should have meetings in the winter. One reason we do need to have meetings is that we need to plan events in time to get it in the Model Aviation magazine. Since we have secured this room at Cortland Post Office and don't have to pay for it, we will continue meetings for now.

President asked that the membership start thinking about events for next year. We need to decide if we continue to have an Electric Fly-In in May, Fun Fly end of July, and do we have a Swap Meet? We also need to keep in mind we need to coordinate with other clubs. There used to be a group that met, but they do not anymore.

Show and Tell None and no new members.

50/50 Raffle Won By Cliff Hineman, who took \$6 and left \$7 in the pot.

Closed: Meeting adjourned at 7:29 p.m.

Our next meeting will be Wednesday, November 9th, at Cortland Post Office Community Room, 307 S. High St., Cortland, OH.
