Unfinished Business Winter meetings – at libraries, we can only book their room 4 times in a calendar year. Decision was made to have meetings at the club field from May through October, instead of September as the weather is usually not too bad in October. Then we can book at the local libraries from November through April and should be able to use 2 libraries and conform to only 4 meetings in a year.

We have some food left from our events this summer (4 packs hot dogs, 3 packs burgers, 4 cases of pop and 1 case of water). We can either have a covered dish dinner or we can sell it. Will discuss at September meeting.

New Business Doug H. made a motion to change the by-laws to be able to fly at night with lights, until, say 10:00 p.m. We would have to specify that it must be a quiet model; a park flyer only maybe. We must be very cognizant of the fact that this is a residential area and we do not want to jeopardize our field. This was seconded by Jason W. In order to change the by-laws, we need to put in the newsletter, then vote at the next meeting. So, the motion was made, seconded, and passed and will be voted on at the September meeting. Lori will see what by-laws are filed at AMA for our club as Dave had some questions on some of the items. Follow-up after meeting: Lori confirmed that the current copy we are using is the copy filed with AMA.

Discussion to buy a portable grill to use at the field; it can be kept in the enclosure as well. Keith made a motion; Doug seconded and motion passed. We will wait and find one on sale; these grills can normally be bought for under \$100.

Discussed the events upcoming in August (War Birds in Alliance, Huck Fest, Jet Jam).

Reminder to put your name and phone number on all equipment, not just planes. We recently had a charger left at the field and it will make identifying the owner much easier. Thanks for your cooperation.

Reminder to take all your trash with you; do not leave at the field.

Show and Tell Doug brought a Corsair, \$75 RTF, using 800 mah battery. Very nice...

50/50 Raffle Won By Nick, who donated back to the club. Total - \$12.

Closed: Motion to adjourn made at 7:32 p.m. by Jason; seconded by Roger; meeting adjourned.

Our next meeting will be Wednesday, September 12th at Club Field.
