Unfinished Business Everyone agrees that we will have a January 1st Freeze Fly at the field. Starting time will be noon. Dan will bring hot dogs and buns and the coffee maker and will use the new grill purchased for the club. Side dishes would be most appreciated. Mario will bring a generator, since the electric is off at the field.

Group unanimously decided that we would do pilot prizes at the May electric fly-in event. Dan will get sent into the magazine.

New Business Do we want to do Weed and Feed this year? We skipped 2012. Davey Tree charges around \$200. Darrell has equipment and a four-wheeler that can be used for spreading, if we want to try and do ourselves. Discussion in the next month or so for a decision. We decided that it would not be necessary to treat for grubs. We also will have to have a work party in the spring to seal the benches and tables.

Member Earl Kincaid donated a 40-size trainer to the club. We decided to use the 50/50 raffle to raffle off the plane instead of going towards the pizza fund. Club made \$26 from the raffle and plane was won by Ray Reghetti.

Cliff H. donated a basic Lipo charger and a channel 44 Futaba receiver to whomever wanted it.

Note: we have made \$40 on patch sales.

Show and Tell Dave Rock brought in his computer and printer that he is using to print onto Styrofoam sheets. Dave also shared a small, homemade CNC prototype. Thanks, Dave.

50/50 Raffle Won By Ray Reghetti; prize was the donated trainer plane.

Closed: Motion to adjourn made by Keith A.; seconded y John T.; meeting adjourned at 7:30 p.m.

Our next meeting will be Wednesday, January 9th at Cortland Post Office.

2013 FAA dues are due by February 28, 2013. Dues can be paid at the club meetings, or they can be mailed to the treasurer at the address below. Dues paid after February 28, 2013, will be \$40.00 (\$ 25 + \$ 15 late fee). Thanks for your cooperation.
